Wendy Westlake was born in Washington state. She earned an Associated degree in Applied Art from Pima College in Tucson, AZ, where she studied a wide range of media including oils, print making and ceramics. Upon moving back to MN in 1992, Wendy connected with the watermedia community in the Twin Cities area. She became a Board Member of the MN Watercolor Society in 2012 eventually becoming MNWS President from 2014-2016. A desire to work on a larger scale than paper would allow pulled Wendy back to her earlier training with acrylic and oils. Her work is influenced by her background in watercolor as well as the tradition of American Abstract Expressionism. She is represented by Gallery 360 in Edina and Veronique Wantz in Minneapolis.
