## **NEXT MEETING**

### **Demo by CeCeile Hartleib**

**Thursday, November 17, 7:00–9:00**  
Roseville Oval, Rose Room, 2660 Civic Center Drive, Roseville

During her demo, CeCeile will paint a portrait using her husband as a live model. Because of her exceptional ability to capture personality on canvas, CeCeile is in demand as a portrait painter. She is an accomplished representational artist who has been painting professionally for over 30 years.

The Classical Realist tradition, in which Hartleib has been trained, began in the seventeenth century. Rigorous training in the basics – value, composition, accuracy of line, and impressionistic color – is the hallmark of this method. Hartleib's search for such training first led her to Allan R. Banks, a nationally known naturalist painter, with whom she studied part-time for 4 years in Sandusky, Ohio. In 1987, she moved to Minnesota to further immerse herself in the Classical Realist tradition and continued her training at Atelier LeSueur in Excelsior, Minnesota, graduating from the program in 1991. She then spent an additional year in intensive study with renowned artist Stephen Gjertson of

Minneapolis. Hartleib's work reflects her admiration for the works of Sargent, Cassatt, and Monet.

For more information, see CeCeile's website: [www.CeCeileHartleib.com](http://www.CeCeileHartleib.com).

## BRING A PAINTING

You may have already heard that Peer Voting has been discontinued. Instead, we encourage you to bring a painting to share. Members always love to see what others are doing. If you're interested in receiving a gentle critique of your painting, you can indicate this at the meeting. NorthStar member Marilyn Jacobson will choose one painting to critique in front of the group.

## AUTUMN DOODLES

Our October meeting featured a warmup activity with members sitting together at round tables painting, socializing, and getting (re-)acquainted. Supplies were provided for autumn themed individual and group activities. This meeting format was a response to our members' requests for opportunities for more social interaction, as well as an attempt to "mix it up" a bit this year. Here's a peek at some of the fun:
